

**27th Annual  
Connecticut Invention Convention™**  
Gampel Pavilion  
University of Connecticut – Storrs, CT  
Saturday, May 01, 2010

---

---

**CIC 2010 EVENT PROGRAM**

**Imagination in Play®**

---

---

8:30 – 9:45

**Arrival, Registration, and Setup**

Students pick up registration materials, go to assigned tables and set up their inventions. See the floor plan to locate the table group. Share table space well – all assigned students must fit the space. Open up backboards fully only during actual judging, to save space. Inventors may now tour other inventions and displays.

10:00 – 10:45

**Opening Ceremony**

UConn Welcome – Marty Wood, Assistant Dean for Undergraduate Education, School of Engineering, University of Connecticut.  
CIC Welcome – Honora R. Kenney, President CIC - Introduction of Board of Directors  
Introductions – Mun C. Choi, Ph.D., Dean, School of Engineering, University of Connecticut  
Keynote Address – P. Christopher Earley, Ph.D., Dean, School of Business, University of Connecticut  
Special Remarks – David Carter, Vice President, UTC Hamilton Sundstrand  
Introduction of Judges – Charles P. Baumgartner, VP CIC  
Introduction of Guests – Helen Charov, Director of Development CIC

10:45 – 12:00

**Judging Circles – Student & Judges**

Inventors and judges meet in pre-assigned groups. Parents may choose to remain in seats or take advantage of campus sights. At the end of judging, parents may pick up their children AT THE MAIN PODIUM. Parents are asked to refrain from entering the judging area at this time.  
Security Note: During judging, students are not permitted to leave group unless escorted by CIC adult.

**School of Engineering Booths** – Interactive Engineering exhibits on the Gampel Pavilion concourse.

**UConn Tours** – All welcome! Meet at the north corner entrance to Gampel Pavilion (next to Husky statue).

**Make 'N Take Table** - All are invited to create a "new something" with provided "junque" materials.

**Teacher Forum** – Castleman Hall. Teachers may exchange ideas, meet each other, discuss new teaching methods or concerns, and receive free samples of the new curriculum.

12:00 – 1:30

**Lunch Break & Public Viewing of Inventions**

**Lunch** – Food available at Gampel Pavilion concession stands in corners and food court /restaurants inside Student Union Building, across Hillside Road. Families may "brown bag" lunch as well.

**Invention Viewing** – All are welcome to view the student inventions.

**School of Engineering Booths** – View Engineering exhibits on the Gampel Pavilion concourse.

**UConn Tours** – All welcome.

1:30 – 2:30

**Closing Remarks & Awards Ceremony**

**Award Ceremony** CIC Recognized Inventors & Announcement of Special awards.

2:30

**Invention Cleanup** - Drive Home Safely, See You Next Year! Visit our new web site in the fall at [www.ctinventionconvention.org](http://www.ctinventionconvention.org).
