There are three (3) vehicle entrances to the 100 College Street parking garage:

If you are coming into New Haven from I91, or I95 North or South, take the Route 34 exit to Downtown New Haven. Once on Route 34, stay in the left most lane and exit to the left for access to the 100 College Street Parking Garage and Air Rights Garage. This exit is about ¼ mile before the building. Go under 100 College Street via the tunnel and take the right exit under the building to the parking garage. This is marked with the green arrow: 

There are also two (2) other entrances to the garage:

- 1) North Frontage Road
- 2) South Frontage Road

Both entrances are immediately adjacent to the parking garage and may be slightly obscured by traffic or other vehicles. Both have a "100 College Street" sign above the entrance. This is marked with the yellow arrows: 

Once in the parking garage, approach the gate arm and press the button to receive a ticket. Park in any available space and proceed down the stairs or elevators to the first floor. Enter 100 College Street through the door adjacent to the garage. This is marked: 

Enter the main level of the building and proceed down the hall to the security desk where you will sign in and receive a visitor badge. Your parking will be validated at this desk upon your departure.
